

Adding notes below slides in Microsoft PowerPoint®:

The image shows a screenshot of the Microsoft PowerPoint interface. At the top, the ribbon is visible with tabs for 'Format Painter', 'New Slide', 'Section', 'Font', 'Paragraph', 'Drawing', and 'Editing'. The main slide area contains a large white text box with the text: "See the notes section below by selecting 'NOTES' on the bottom of the slide and the 'Click to add notes' will appear." Below the slide, there is a grey bar with the text "Click to add notes". At the bottom of the screen, the status bar shows "F1", "NOTES", and "COMMENTS".

See the notes section below by selecting "NOTES" on the bottom of the slide and the "Click to add notes" will appear.
