GF510: Risk Analysis and Management | Unit 3 Assignment 1

Assignment: Text book problems

Complete the following questions from your text:

- Complete Questions and Problem 11 in Chapter 16
- Complete Questions and Problem 8 in Chapter 13
- Complete Questions and Problem 7 in Chapter 14

Please submit one Word file, including a title page to the Dropbox for the Unit 3 Assignment.

All work submitted must be in your own words and all calculations must be shown. No credit will be given for the correct answer alone. Any calculations should be done in Excel and pasted into the Word document using the "Paste Special-Excel Worksheet Object" feature. This will allow the instructor to double click on the students work to see the formulas and calculations used to answer the selected problems.

Once completed, submit your Assignment to the Unit 3 Assignment 1 Dropbox. Assignments are due Tuesday 11:59 p.m. ET of their assigned unit.

GF510: Textbook problems
