

Volkswagen case information instructions

The goal here is to get to "Investor Relations".

Go to http://www.volkswagenag.com/content/vwcorp/content/en/investor_relations.html

In the small search box type in "organizational structure"

A number of article links will come up, which include the following of interest (and more, so be sure to do this step yourself)

- Corporate Governance Report
- West Coast Roadshow by Dieter Pötsch
- Volkswagen Group: driving on strong foundations given in New York by Christine Ritz-2013

You can also go to the Internet and type in "Volkswagen organizational structure". Some great content there as well.
