

Unit 5 Assignment

For this Assignment, write a 3- to 5-page paper discussing the methods of establishing identity. In this scenario, the victim was found in the living room of a vacant house a week after they had died. Be sure to include at least four different ways to identify a victim and/or an offender in this given situation.

Use materials from the text and/or any outside resources to support your response.

You may use the textbook as a source, along with personal interviews, research, and scholarly academic journals available through the online Library. Follow American Psychological Association (APA) format with proper citations and references.

Directions

In addition to fulfilling the specifics of the Assignment, a successful paper must also meet the following criteria:

- Include a cover page and references page in 10–12 point font (Arial, Courier, and Times New Roman are acceptable)
- Viewpoint and purpose should be clearly established and sustained
- Assignment should follow the conventions of Standard American English (correct grammar, punctuation, etc.)
- Writing should be well ordered, logical, and unified, as well as original and insightful
- Your work should display superior content, organization, style, and mechanics
- Appropriate citation style should be followed

You should also make sure to:

- Include a title page with full name, class name, section number, and date
- Include an introductory and concluding paragraph and demonstrate college-level communication through the composition of original materials in Standard American English
- Use examples to support your discussion
- Cite all sources on a separate reference page at the end of your paper and cited within the body of your paper using APA format
