

## Unit 5 Assignment

For this Assignment, write a 3- to 5-page paper discussing the methods of establishing identity. In this scenario, the victim was found in the living room of a vacant house a week after they had died. Be sure to include at least four different ways to identify a victim and/or an offender in this given situation.

Use materials from the text and/or any outside resources to support your response.

You may use the textbook as a source, along with personal interviews, research, and scholarly academic journals available through the online Library. Follow American Psychological Association (APA) format with proper citations and references.

### Directions

In addition to fulfilling the specifics of the Assignment, a successful paper must also meet the following criteria:

- Include a cover page and references page in 10–12 point font (Arial, Courier, and Times New Roman are acceptable)
- Viewpoint and purpose should be clearly established and sustained
- Assignment should follow the conventions of Standard American English (correct grammar, punctuation, etc.)
- Writing should be well ordered, logical, and unified, as well as original and insightful
- Your work should display superior content, organization, style, and mechanics
- Appropriate citation style should be followed

You should also make sure to:

- Include a title page with full name, class name, section number, and date
- Include an introductory and concluding paragraph and demonstrate college-level communication through the composition of original materials in Standard American English
- Use examples to support your discussion
- Cite all sources on a separate reference page at the end of your paper and cited within the body of your paper using APA format

### Submitting Your Assignment
