Unit 7 Assignment

In 3–5 pages, excluding the title and reference pages, discuss various methods of searching the crime scene. What would the methods be for searching for bomb evidence? Compare each of the methods for this situation.

Use materials from the text and/or any outside resources to support your response.

You may use the textbook as a source, along with personal interviews, research, and scholarly academic journals available through the online Library. Follow American Psychological Association (APA) format with proper citations and references.
