

## Informational Presentation on Abuse

Assume you are a case manager for your local children's services department. Your supervisor has asked you to put together an informational Microsoft® PowerPoint® presentation for you to present at a local community college. In a 5-7 slide presentation include the following:

1. What are the functions of your department?
2. How does your state define child abuse?
3. What are the warning signs for abuse?
4. What are the child abuse and neglect stats in your state? Be sure to include victim statistics including age, race, ethnicity, gender, and family statistics.
5. Discuss mandatory reporters

**NOTE:** This Assignment will require outside research. You may consult the Library, the internet, the textbook, other course material, and any other outside resources in supporting your task, using proper citations and references in APA style.

### PowerPoint Formatting

- The PowerPoint should contain a title slide and a list of references in APA format.
- All internal citation of outside sources plus the listing of all references should also adhere to APA format.
- Your 10-15 slide requirement excludes your introduction and reference slides.
- Use one basic slide design and layout.
- Limit slides to between 6 and 8 lines of content.
- You may use pictures, charts and graphs to supplement your material as long as they do not take up the entire slide.
- Use bullets for your main points.
- Use speaker notes to fully explain what is being discussed in the bullet points as though you are presenting to an audience.
