

CM107 Unit 6 Assignment: Me-Search Project

In the Unit 5 Discussion Board, you shared possible topics for your Unit 8 Assignment. In the Unit 6 Discussion Board, you selected one topic from that list and created a preliminary research question and thesis.

For your Unit 6 Assignment, the next step in your writing process is to complete and submit the Me-Search Plan. This plan will help you establish what you know and what you need to learn about the topic you will research, draft, revise, and edit in Units 7 and 8.

Download and use the following chart to generate ideas about the trend in the field of study that you are writing about. Be sure to answer the questions in complete sentences and to include as many specific details as possible so you have a specific plan, and so you get the most helpful feedback possible from your instructor. You will not be graded on APA format since you are submitting a chart. If you use any sources in any way, you must credit them, both in the sentences where you borrow their ideas (this is known as an in-text citation) and in a references list at the end of the chart. Your submission will be graded based on the level of completion and specifics you provide in your Me-Search Chart.

Download and complete the [Me-Search Chart](#). Submit your completed chart to the Unit 6 Assignment Dropbox.
