

Unit 3 Discussion - Peer Reply #2 Guidance

Peer Reply #2:

Choose another classmate's thread and review their decision process. Further the math conversation by taking on the role of the business partner.

- Would you agree or disagree with their decision strategy?
- Are there any factors that have been overlooked that would affect their decision process?
- Would you choose the same decision strategy under uncertainty?

These responses are meant to be a guide on how to address the peer reply #1 post and do not include all possible responses.

- I [agree/disagree] with the decision strategy chosen because ...
- Based on my knowledge there [are/are not] factors ...
- If I were basing my decision off of uncertainty, I [would/would not] choose the same strategy because ...
