

HA425M4 Rubric Competency Assessment Rubric

All *competency* criteria must be met to earn a B grade and pass this Course Outcome.

A predefined number of *mastery* criteria must be met to earn an A grade, indicating mastery of the Course Outcome. See the *CLA and Grade Criteria Chart* below.

	MET	NOT YET MET
Underserved Populations		
Competency		
Chooses at least one minority, marginalized, or vulnerable population.		
Describes at least two challenges they face with accessing and moving through the healthcare system - (uninsured, underinsured, low literacy, language barrier, etc.).		
Mastery		
<i>Describes more than two challenges</i>		
Systems Approach		
Competency		
Discusses a systems approach to proper care coordination.		
Mastery		
<i>Demonstrates how the systems approach would positively impact the challenges you identified.</i>		
Patient's Needs		
Competency		
Describes how this approach will directly meet the patients' needs, priorities, and expectations.		
Standard of Care		
Competency		
Discusses how raising the standard of care for underserved populations directly affects the health care system as a whole.
